Dear Sir,

In connection with the tour of His Excellency the Governor-General of India, I had met the Huzur - Secretary to His Highness the Maharaja of Mysore on the 17th instant at Mysore and after discussing the arrangements with him, I have proposed to meet the party on the 22nd evening at Krishnarajasagara and offer flowers to His Highness the Maharaja and His guest on their arrival there. On the 23rd morning, however, I will be present at Seringapatam and as per arrangements made during the last proposed visit, perhaps Dr. Venkatasubbasastry - will take the visitors round the historical places. Necessary police arrangements have been made at all these places. I have received intimation from the Assistant Private Secretary to His Highness the Maharaja of Mysore to make arrangements also at the fishing pools at Palahalli and Doddinmadu in Seringapatam taluk and accordingly I am making necessary arrangements. The escort and the tail cart have yet to be arranged by the Inspector-General of police in Mysore, Bangalore, from whom I have not yet received intimation and I am writing to him with regard to this arrangement.

I am issuing notification for prohibiting traffic on the routes to be used by the distinguished guests both on the 22nd and 23rd instants in this District and I will be sending copies immediately the notification is issued.

Yours sincerely,

Mohamed

Sir,-

Visit of His Excellency the Governor-General of India
to Mysore - Inner Cordon Passes.

With reference to the copy of your letter No.G.C.1289/47-48, dated the 8th May 1948, to the Chief Secretary to the Government of Mysore, forwarded to me for information, I have the honour to state that the second paragraph of your letter under reference is not clear as you mention therein that out of the 150 inner cordon passes received from me, 69 unused passes were sent to me and they are with me.

Out of the 300 passes received from the Military Secretary to the Governor-General, 81 passes were issued at Mysore and a balance of 219 were left unused. The unused passes were sent by me to the Chief Secretary to Government with this office letter No.1316, dated the 24th April 1948. 77 used passes were sent to the District Superintendent, Railways & C.I.D. and he was requested to collect the remaining 4 used passes which had been issued to Officers of other departments. It is seen from the first para of your letter that the entire total of 300 passes (used & unused) have been returned by you to the Chief Secretary.

It will be clear therefore that the statement that 69 unused passes are with me is not correct.

I have the honour to be,
Sir,
Your most obedient servant,

Asst. Private Secretary
